HOBBIES

I enjoy Playing football builds my teamwork and leadership skills.I like working on new projects that improve my knowledge and productivity.Traveling inspires me to learn from different cultures and listening to music keeps me relaxed and motivated.

AJIJ SK

3D VISUALIZER

PROFILE

I am a passionate and creative 3D Designer with a strong interest in modeling, texturing, and visual storytelling. As a fresher, I am eager to apply my skills in 3D design tools like 3ds max and maya to create realistic and visually appealing designs. I enjoy learning and improving my craft. My goal is to contribute innovative ideas to a professional design team and grow as a skilled 3D artist in the industry.
